SE II Discord

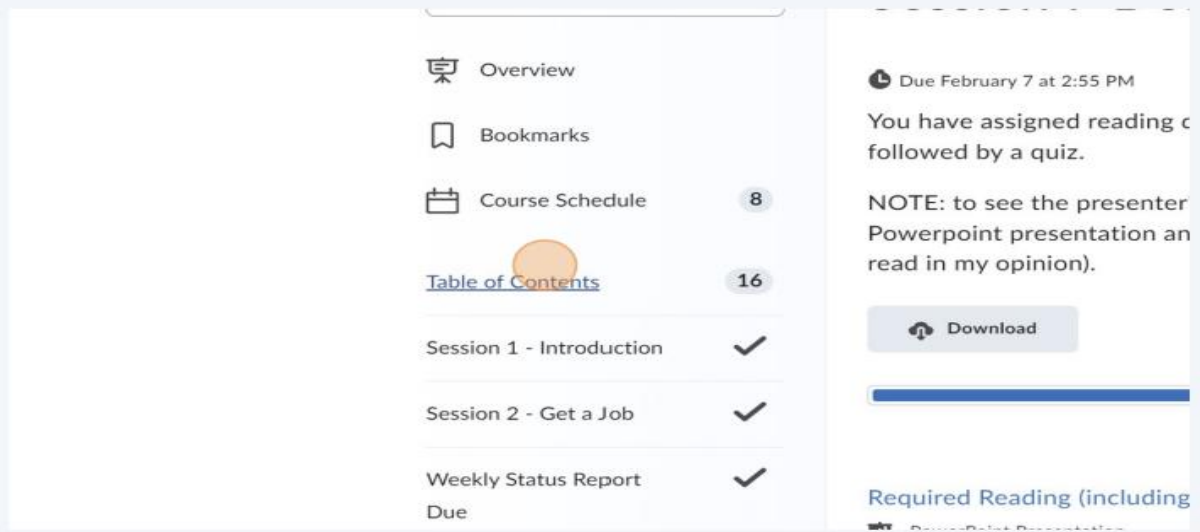

William Kinser posted on Jan 29, 2024 3:46 PM

A number of SE II students use the following discord channel:
<https://discord.gg/7m8HFY6R> . They wanted me to let SE I students know that you are welcome to join into the discussions or simply follow along. This may come in handy when you start the SE I project as some of the team that built the solution on which you will work are on this channel.

Welcome to Software Engineering I
